**MOVING NOTIFICATION FORM**

To ensure a smooth transition - and to ensure that you pay only for the electricity that **you** have actually used you must notify Wyse Meter Solutions a minimum of two weeks prior to your move-out date. Please note that failure to provide Wyse Meter Solutions with the minimum notice may result in delayed meter reading and/or additional charges.

We will read your meter on the final day and send the final bill to your new address. If applicable, your security deposit will be applied to your final bill. Any credit balance will be mailed to you at your new address.

Please complete all applicable fields below to ensure your account is processed promptly.
